**Non-Qualifying Divisions: Starter and Greenie**

- Qualifying Divisions: Senior, Junior, Intermediate & Novice divisions will be required to do 'slip rail' and 'gate' in the riding phase.
- Because Rally is being held in the Fall, YOU MUST ride the level that you want to qualify for Championships, even if you do not meet the age or the certification level at the time of regional rally. It will be assumed that you will attain that level before Championships. For example, if you will be 12 or 13 on the upcoming Jan 1 and are a D3, but want to do the Novice division at Championships, you will ride in the Novice division at regional rally and compete as a C1 (C1 Turnout Inspection). You must attain your C1 before the Championships entry closing date. You must declare your higher level on your entry. Please feel free to call me with questions.
- Senior, Junior and Intermediate competitors may qualify for Championships by riding down a level at the regional rally and taking a 200 pt penalty, but they must also ride down at Championships as well. Novice can jump down (200-point penalty level) but cannot qualify for Champs unless the Modified Pre-Novice division is being offered and they will be no older than 11 in the Champs year.
