

MidSouth Region KHP Stabling Information - 2024 Rallies

Important things to remember: Barns 8 to 12 have been demolished to make way for new barns, so we will be using Barns 1 – 4 and 13 – 21 for rally and OHT stabling again this year.

1. ***You cannot move in*** to the Kentucky Horse Park before **9:00 am EST on Tuesday, June 18th** and you must depart on Sunday evening, June 23rd OR be completely out of the stall before 8am EST on Monday, June 24th. If your horse is still in a stall, or you have anything at all left in a feed or tack stall by 8am EST on Monday, June 24th, the stall is considered to be "occupied" and there will be an additional \$54 per stall fee owed. KHP will charge us, and we will send you the bill.

a. If you plan on arriving in Lexington on Monday, June 17th you'll need to use one of the local layover facilities.

a. If you are laying over before, or after, one of the rallies between the 21st and 22nd, the cost per stall will be **\$30** and a form must be completed and mailed to the stabling coordinator, WITH PAYMENT, prior to arrival at KHP. Please check the chart to see what stabling is included with the entry fee, and when it needs to be sent.

c. The staff at KHP will make rounds beginning at 8am each day, and they bill us based on the number of occupied stalls they find. Even if you just keep a bale of hay, or a broom in a stall, it is considered "occupied" and we get charged for it.

2. ***If you are needing to lay over*** before, after, or between rallies, we will try to keep you in your competition stall if at all possible. But be advised that we reserve the right to move you to another horse stall if necessary to keep the current competition horses together.

3. ***If you arrive*** the day of your rally but before the official "move-in" for your rally, you will be allowed to move your horse in to its stall, and to drop off tack and equipment in the aisle, or place it in the stall beginning at 9am. Tack rooms cannot be set up until official rally start time.

4. ***Do NOT block the barn aisle*** with your vehicle/trailers. Keep enough space to the side so that another vehicle can get past your rig, and never leave your vehicle/trailer unattended in the barn aisle. Get in, unload and get out as soon as possible.

5. ***No parents will be allowed to stay in the barn area and help set up.*** PARENTS MAY HANG FANS ONLY!!!

6. ***All trailers MUST be parked*** in the designated trailer parking lot, which is located past the Alltech Arena and across from the Secretariat Center (follow the signs). There is NO trailer parking in the front visitor lot of the Kentucky Horse Park, or the car parking lot of the Alltech Arena, or any other location that is marked with "No Trailer Parking" signage. Any inappropriately parked trailers will be towed at the owner's expense. KHP is serious about this and will not hesitate to tow your trailer.

2024 MidSouth Region Stabling Information

7. **Stall cards:** All horses must have a complete and proper stall card, which will remain on their stall as long as they are housed on the KHP grounds. Early arrival and layover horses also need to have stall cards. Any unattended horse or pony without a stall card will be penalized and/or fined. There will be a \$25 fine imposed on the club or center if the member is not in active competition, and significant HM penalty points if they are in active competition. If you plan to keep a horse in one of the Devers paddocks, there must be a stall card both there and the assigned stall.
8. **Bedding:** You must supply your own bedding for each horse stall. You can either bring your own or purchase it on site. Dever, Inc. sells bagged shavings, straw bales and hay bales, and the business is located on the KHP grounds. Expect to have a minimum of 4 bags of shavings or two bales of straw for bedding for any horse stall. The floors of the stalls are asphalt which is a very hard surface. You can order your shavings from Dever, Inc. with a credit card before you arrive at the park and they will deliver it to a location very close to your assigned stall. You can also rent stall mats from Dever, Inc and rent a paddock. Dever Hay, Grain and Bedding. www.deverinc.com
9. **Horse Management:** The 2023 USPC Horse Management Handbook will be the official HM rulebook for rally, and HM judging will begin on move-in day, at the official rally start time. All horses, including early arrivals or layovers, must have proper care. Any safety violations or untidy horse management can and will reflect upon Team members who are still competing.
10. **Equipment:** Kentucky Horse Park rules require that fans be plugged into 3 prong outdoor adapters, then plugged in to grounded 3 prong outdoor duty extension cords.
11. **Please use the chart** on the following page to help determine how many nights during rally at KHP that you may need an early arrival or layover stall. The only stabling that is included with your rally entry fee are the nights between move-in and awards. Typically, at the end of a rally you would pack up after awards and go home, but this week you may be trailering in with a competitor who is competing on a different schedule. If you need a stall for other nights you will need to reserve a layover stall by filling out the Stabling Request Form for Layovers and sending it, with a separate check payable to MidSouth Region, to the Stabling Organizer.
12. **Special note for** Dressage and D level and open Combined Test competitors - we have included two full nights stabling for your entry, and you can use either TUESDAY or THURSDAY as the second night. If Thursday night works best, remember that you must have the stalls empty before 8am on Friday morning! If you need to stay until Friday afternoon, the extra \$30 for layover will be required.
13. **Failure to send payment,** in advance, to the Stabling Coordinator means you will not be given your competitor packet until the stabling bill is paid. In order to make sure payment reaches the coordinator in time, the form should be postmarked by **June 9th** so it has a chance of getting to the stabling coordinator by June 18th. If the form and check have not arrived by June 17th, you will need to write another check when you arrive on site. When the coordinator returns home on June 26th, if the first check is there, it will be destroyed.

2024 MidSouth Region Stabling Information

If you are doing a rally (listed on the left) and will need a stall on the EVENING/NIGHT of:

RALLY	Tues 18-Jun	Wed 19-Jun	Thurs 20-Jun	Fri 21-Jun	Sat 22-Jun	Sun *** 23-Jun
Show Jumping	Included	Included	Layover \$30	Layover \$30	Layover \$30	
Dressage	Layover \$30	Included	Included	Layover \$30	Layover \$30	
Combined Test: all levels D1 and up	Layover \$30	Included	Included	Layover \$30	Layover \$30	
D2/D3 Non-Qual Eventing	Layover \$30	Included	Included	Layover \$30	Layover \$30	
Qualifying Eventing (D and C)	Layover \$30	Layover \$30	Included	Included	Included	

If your Dressage, or Combined Test competitor prefers to use Tuesday as one of the included nights, and leave on Thursday afternoon after competition, please let the stabling coordinator know.

You must be out of the stalls by 8:00 am on Monday, June 24th or there will be an additional \$54 per occupied stall charge that will be billed to you personally by the region. Failure to remit payment immediately will result in the competitor being not in good standing within the region and national USPC organization.

2024 MidSouth Region Stabling Information

2024 MidSouth Region Stabling Request Form for Early Arrival or Layover

Note: **Send this request separately from your rally entry forms.** This form does NOT go to the rally secretary. Send to the address listed below. I need to receive this form AND payment no later than June 14th.
