Location Information:

Locust Trace Agriscience Center, 3591 Leestown Road, Lexington, KY 40511

Food: **We will not have a banquet or a dance.** Instead, while waiting for awards, the Locust Trace FFA officers will be offering teamwork & leadership activities that would help any club or individual. We will also have food trucks outside so people can get dinner if they wish. Once the scores are finalized, we will send out a message on the Remind App (details to follow) so we can begin the awards ceremony. Lunch will be free for competitors. Volunteers that help for 4 hours or more will receive a lunch paid for by the Mid South Region. You are welcome to bring in your own food. Please clean up after yourselves.

Volunteers: They will sign up with a link for their shift. It will be noted on the shift if they will have a lunch paid for by the region. The link will be emailed to the volunteers in February. Extra volunteers are welcome. If a volunteer signs up then they are expected to show up for their shift on time. It will be noted on the sign up if a free lunch is included. Everyone is welcome to sign up for more than one shift. Each team must have 2 volunteers (adult teams too). ** Non competing children are not allowed in the competition areas. If a volunteer from your club has to cancel, we ask for a substitute from your club to fill their position.

Vendors: All vendors will be outside of the school building, either on tables (if the weather is nice) or you can bring in a horse trailer and park it near the barn.

Pets: No pets allowed anywhere on the property. If you bring a pet despite this you will be asked to leave the premises.

Barn Phase: Barn Phase will be in a barn, appropriate shoes are required for those that volunteer and compete. It will be colder in the barn than outside. Please plan accordingly.

Registration starts at 8am- all competitors and volunteers should be present.

We will have a volunteer orientation for all volunteers at 9am.
