FROM THE RS:

Looks like lots of fun was had by many at Defender K3DE. We are very thankful to Equestrian Events, Inc. for hosting it, and especially for the Grant of \$4000.

The Youth Board did an amazing job presenting the Rally HM zooms. Their slides are posted in the closed FB group files.

We are in the organizing phase of Regional Camp, which is full!

The collection of Sponsors for our Horse Trial has been fairly successful. All thank you cards and tax donation letters, to this point have been sent and signs are being made.

Rally Entries are open, no need to wait until the last day to enter.

We are doing information posts every other Friday or so (Fact Fridays) to try and educate on some topics. If there is a topic you would like to know more about, please feel free to let us know. If you're not in the FB closes group and you would like that info emailed, just ask.

We are doing Rally Q & A Zoom sessions for leaders, competitors, parents, and volunteers.

Looking forward to a busy June 😊
